Submission Process — Step by Step

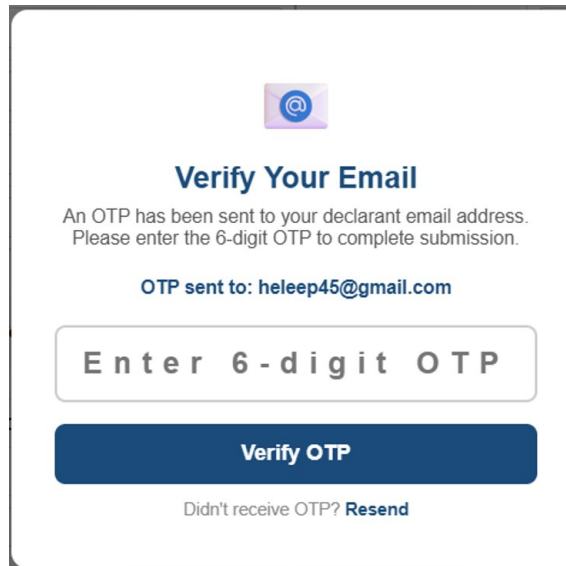

1 Fill All Form Sections

- Complete all **5 sections** of the registration form carefully.
- Fields marked with ***** are **compulsory** and cannot be left blank.
- For fields not applicable to your business (e.g. CIN for sole proprietors), write **NA**.
- Upload all certificates in **PDF, JPG, or PNG** format — ensure files are clear and readable.

✓ Double-check all numbers (GST, PAN, CIN, bank account, mobile) before clicking Submit & View.

2 Verify Your Email Using OTP

After clicking **Submit & View**, a popup appears asking you to verify your email address.

OTP verification popup shown after form submission

- A **6-digit OTP** is sent to the **Declarant Email Address** you provided.
- A PDF copy of your registration details is also emailed to that address.
- Enter the OTP in the box and click **Verify OTP**.
- Did not receive the OTP? Click **Resend**.

3 Registration Preview Page

Once OTP is verified, the **Registration Preview Page** opens.

- Review all submitted registration details.
- Verify all uploaded documents (GST, PAN, MSME certificates).
- Confirm contact information and business details.
- Download a copy of the registration PDF for your records.

4 Edit Details (If Required)

If any information needs correction:

- Click **Edit Form**.
- Update the necessary details.
- Save the changes.
- Review the updated information on the preview page again.

5 Confirm Registration

If all information is correct, proceed to confirm:

Form view — Confirm Your Registration & final action buttons

- Navigate to the **Confirm Registration** section.
- Read the confirmation statement carefully.
- Tick the **Confirmation Checkbox** to acknowledge accuracy.

■ I confirm that the details provided in this registration form are correct and complete. A confirmation email with the registration PDF and all uploaded documents (GST, PAN, MSME certificates) will be sent to the designated email addresses.

6 Final Submission & Email Confirmation

Click **Confirm & Send to Email** to complete registration.

- The system finalises the registration submission.
- A registration PDF is generated automatically.
- The PDF and all uploaded documents are emailed to all registered email addresses.

✓ Keep copies of all uploaded certificates (GST, PAN, MSME). You may be asked to re-submit them if files are unreadable.
